JIMMY SUTRO SURPRISES

Furnishes Outstanding Upset of Present Fair Grounds Meeting.

Looms Up as Possible Louisiana Derby Candidate—Grand Prince and Dextro Earn Purses.

NEW ORLEANS, La., Feb. 10.—Jimmy Sutro, son of Star Master and Santa Clara, which gained his maiden victory through a disqualification a week ago, furnished one of the outstanding surprises of the current Fair Grounds meeting and loomed up as a possible Louisiana Derby candidate when he raced home a decisive winner over Sandwrack, Simple Singer and others of the second flight three-year-olds in the Grand Duke Purse at that course today. He was ridden by Melvin Lewis in the colors of L. Sindler, and was so neglected by those who speculated upon the outcome of the race, for which Sandwrack and Southland Lad, coupled in the betting, were favorites, the few who backed him received $77.80 for each $2 straight.

With virtually the same company the winner was badly beaten in other of his local appearances, but appears to be of the improving sort, and today found him at his best. His surprising effort over a fast but extremely deep and trying track, was witnessed by a good sized crowd, the day bringing more of the mid-summer-like weather, which has prevailed for ten days.

UNABLE TO KEEP UP.

Although Lewis got him away fast he was unable to keep up and went to the end of the first quarter in front of only two of the eight starters. Sandwrack was the leader and Simple Singer the runner-up. After going three furlongs, the latter forced McCoy to push Sandwrack to retain the lead, and on the stretch turn, where the winner began moving up on the outside, headed Sandwrack. After straightening out in the stretch, the victor came through fast, and before the final sixteenth was reached, was in command. After drawing clear he swerved sharply to the inside, and when again straightened out came away rapidly to win by two lengths.

In the final drive Sandwrack outgamed Simple Singer, yet had only a nose over the latter in taking second money. Louis Merryman finished fourth, while Skidmore, one of the choices, failed to furnish contention at any time.

Spanish Way, racing for Knebelkamp & Morris, and a big favorite, got up in an interesting and driving finish to defeat Merovech for the top honors in the first race for maiden two-year-olds. The popular winner won by a neck, while Merovech led Monks Bela, which was third by two lengths.

CLOSES A BIG GAP.

The winner, a son of Spanish Prince II. and Miss Marcella, had to overcome a considerable loss of ground, which his outside position at the post entailed, and running fast and gamely, came around Monks Bela and Sym Jack in rapid fashion after going half the distance and wearing down Merovech in the last fifty yards, appeared ready to draw away.

Dextro, ridden by G. Elston, was a decisive winner over eleven others from among the less capable three-year-olds in the second race at a mile and one-sixteenth. Penn, a rank outsider, finished second and Loyal Louie, also at long odds, accounted for third over Beaver, which ruled a slight favorite over the winner.

Moving into a position among the leaders before going a half-mile, the winner readily took command when called upon in the stretch and, drawing away into a safe lead, won easily as Penn wore down Loyal Louie, which set most of the pace, for second. Beaver had no excuse in his defeat.

Elston rode his second winner when he directed the Shandon Farm's Grand Prince, one of the outstanding favorites of the day, to victory over Honeyman, J. George and nine others in the third race. The Okah, second choice, and generally looked upon as the most dangerous of the various rivals, suffered a hemorrhage after going only a short distance.

After showing the way for a quarter, the winner was taken back under restraint on the turn, where Honeyman and J. George went around him, but when called upon in the stretch he soon drew past the mentioned two, and the finish found him going easily

WRIGHT'S PRETENTIOUS PLANS

Chicagoan Enters Racing on Big Scale—Calumet Farm Famous.

John Hertz Aiding Windy City Recruit and Arlington Park Director With Racing Plans.

Warren Wright of Chicago, a newcomer to the thoroughbred owners' ranks, plans to enter racing and breeding on a pretentious scale. Wright and his recently deceased father were prominent trotting horse owners, but in the past few years were attracted to the thoroughbred. With Charles McCullogh of Chicago, he joined the Arlington Park Association and was elected to membership in the Post and Paddock Club. Last season he attended the yearling sales at Saratoga Springs and, through John Hertz, made several purchases. Later at private terms he acquired other horses and registered the nom de course of the Calumet Stable.

Calumet Farm for years had been the home of the trotter, and many well known performers were raised there. It is one of the picturesque spots in the breeding section of Kentucky. Situated near Lexington, the farm is pronounced ideal for rearing young horses. There is plenty of water on the grounds and stable accommodations are up to the standard in that section set by wealthy sportsmen who indulge in that branch of the sport.

The recent sales held by the Old Glory Company saw the passing of Calumet Farm as a trotting horse nursery. Mares and stallions were disposed of and the place will be restocked with thoroughbreds. John Hertz is aiding Wright in the selection of brood mares. At the recent sale held at Lexington by C. V. Whitney, the mares that were sold to John Hertz were, it is understood, bid in for the account of Wright.

The Calumet Stable has made several nominations to stakes to be run at Belmont Park and Saratoga Springs this season. The nominations are for the two-year-old events. The yearlings named were purchased at the

HIALEAH PARK MAY ADD EXTRA WEEK TO MEETING

MIAMI, Fla., Feb. 10.—Joseph E. Widener has been asked by the Florida Racing Commission if he would consent to continue the season at Hialeah Park for a week beyond the closing date of February 27, in the event that the Tropical Park meeting of the Gables Racing Association was not opened February 29, the date selected for that season.

His answer was that if it was the desire of the commission he would continue for that period.

In the meantime, the publicity for the new association announces elaborate preparations for the second season at Tropical Park. Frank J. Bruen has been in New York for some time, and there has come no definite announcement of plans by the others of the association.

In any event, should the Tropical Park meeting be declared off for any reason, it is assured, on the agreement of Mr. Widener, that the Miami season will continue for another week after the announced closing date of February 27.

REVISE FAIR GROUNDS PURSES

Slight Change May Be Made Next Week—Distribution Out of Proportion to Returns.

NEW ORLEANS, La., Feb. 10.—A slight revision in the schedule governing purse distribution may go into effect at the Fair Grounds next week. For the first time in a number of years the next or third issue of the racing program, carrying conditions for all races, will cover only a period of six days, beginning Monday and concluding a week from Saturday. This will permit a return to the present schedule within a week's time if business, which has been improving daily, justifies.

Up to this time purse distribution at the Fair Grounds has been out of proportion with receipts, and with the full co-operation of horsemen, officers of the Louisiana Jockey Club hope to alter it in a manner both satisfactory to horsemen and a bit fairer than the present schedule to the management.

During the first fourteen days of the meeting, four stakes, carrying an aggregate of $10,000 in added money, were run. They were the $3,000 added Mardi Gras Handicap; $3,000 added Pontchartrain Handicap; $2,000 added Rex Handicap and $2,000 added Inaugural Handicap. For the first nine days of the meeting the minimum purse was $1,000, and since last Thursday only the cheaper horses have raced for $800 purses, and at least two races of $1,000 value each, were run daily.

MEETINGS DEPEND UPON DAILY TAX REDUCTION

MIAMI, Fla., Feb. 10.—Thomas B. Cromwell was an arrival of the day from Kentucky. He reported that before he left his state there seemed to be every prospect that a new racing commission would be appointed, composed of Polk Laffoon, Rodman Meacham, James P. Edwards, T. P. Hayes and G. B. Senff.

This is a commission that has the endorsement of both the breeders and the horsemen of the state and it is expected the appointments will be announced.

At the present time there is also an effort being made to reduce the daily tax on both Lexington and Dade Park to $500 daily, in an effort to bring about more prosperous times for racing. The major courses would continue to pay a daily tax of $2,500, but it has been quite conclusively proven that there must be a considerable reduction for both Dade Park and Lexington to have them continue.

HANDICAP WEIGHTS

MIAMI, Fla., Feb. 10.—Weights for the Jockey Club Handicap were issued by secretary Wallace today. The race, which is for three-year-old and over, with $3,000 added, to be run at Hialeah, Saturday, February 13, over one mile and a quarter, are as follows: Lady Broadcast, 126; Lightning Bolt, 117; Knight Commander, 116; Vander Pool, 116; Comstockery, 113; Repentance, 113; Kincsen, 112; Tote, 107, Hibala, 107; Le Condor, 107; Sidney Grant, 107; Waterway, 107; Sunfire, 105; Allenfern, 104; Chief Executive 104; Culloden, 104; Islam, 104; Royal Ruffin, 104; Sun Shadow, 104; Street Singer, 104; Scotch Gold, 104; Impish-103; Tancred, 101; Aldershot, 100; Beau Jolie, 100; Boundless Deep, 100; Dornoch, 100; Slambang, 98; Air Way, 97; Espinaca, 97; Burnside, 95; Fly Guy, 95; Ghost Dancer, 95; Partisan, 95; Raccoon, 95; Nansen, 92; Bosafabo, 90; Burnish, 90; Cholla, 90; Catherine Fox, 90.

LATEST REIGH COUNT FOAL

Leona Farm, owned by John D. Hertz, reports the arrival Wednesday morning of a chestnut colt from Tetrarch's Captive by the Kentucky Derby winner and internationally famous Reigh Count. The Tetrarch, sire of the dam of the new foal, was a brilliant race horse in England and was never beaten. The Tetrarch is a gray and the sire of Tetratema, Salmon Trout, Caligula and Polemarch, all Classic winners in England. One of his daughters, Le Dauphine, produced Anita Peabody.

SINGLE STAR AND MILLS

Winning Combination in Headliner at Hialeah Park Course.

Close Finishes in Majority of Races Stir Miami Crowd—Pleasant Weather Prevails.

MIAMI, Fla., Feb. 10.—In a day of racing that was remarkable for its number of close, fighting finishes at Hialeah Park this afternoon, one of the best came in the running of the Peters Purse, a six furlongs claiming race that attracted good sprinters. It fell to Joe Edwards' Single Star and gave Hank Mills his first winning mount since his suspension for rough riding. At the end the mare was only a nose before J. Norris, Jr.'s, Tombereau, and it was O. Blank's Salisbury that was third. In the second best race of the day Glenside, Please and Knowlton swept past the line closely lapped and it was a nose finish that decided the race for juvenile fillies, when Mint Drift earned the purse from Lady Bracadale.

Another day of bright sunshine resulted in a crowd of good proportions being out for the sport and the thrill that came with almost every finish of the day made it remarkable sport.

Seven went to the post in the Peters Purse and the start was a good one with the consistent Tombereau first to show. He was rushed along by Chiavetta until he was a length and a half clear in the first furlong and that lead was increased to four lengths after he had turned out of the back stretch. Mills was sitting still on Single Star as he raced in second place, and Ellice was showing the way to Salisbury, which was being ridden listlessly by Montgomery.

SPECTACULAR FINISH.

Turning into the stretch, Tombereau was still well clear of the others, and Mills had not yet made a move with Single Star. Ellice was hanging on to third place, but doing her best and she was still followed by Salisbury with the others already beaten. Until well inside the last furlong, Tombereau looked a sure winner when Mills finally called on Single Star, and the mare, finishing with a great rush, got up to earn the decision in the final strides. Salisbury was another length back. While it was a winning ride, it appeared that Mills had waited a bit too long with Single Star and an earlier call on her speed would have prevented the finish being so dangerously close.

The second nose finish of the day came in the running of the fourth race. This was christened the Silver Bluff Purse and was under claiming conditions. At the end of a furious stretch drive, Mrs. V. M. Duncan's Glenside won by inches from J. W. May's Please, and F. A. Carreaud's Knowlton was just another head back.

From a good start, War Saint, Glenside and Knowlton soon drew away from the others and raced along closely lapped with Knowlton on the inside. They were a couple of lengths clear before the run through the back stretch had been completed. War Saint tired after turning out of the back stretch, but the battle continued beween Glenside and Knowlton as they went along lapped.

They swung into the stretch going stride for stride with first one head and then the other showing in front and it had narrowed to a question of courage.

GAME PERFORMANCE.

In the final furlong Please charged along outside of the pair and threatened to pass both. At the time Glenside had his head before Knowlton and the son of Eternal, responding to Malley's call, stuck it out to save the day, though Please would have been the winner in another stride. Knowlton was just a head back and three lengths before Donie.

W. H. Wright's Blue Arab, making his first start of the winter season, was an easy winner over the three-year-old maidens that started in the opening dash. El Puma was the one to race to second place, with Sansarica, from the Howe Stable, a distance third. Mills had El Puma away in full stride, but he soon gave way to Make Speed, and Blue Arab moved into second place. Sansarica was restrained back of these, but when Kurtsinger tried to rouse him he failed to respond and was badly outrun.

Early in the race Cleverley had Blue Arab under restraint as he galloped along back of Make Speed and when the Lowenstein gelding showed signs of tiring he took the lead to never leave the result in doubt. El

SIXTY-TWO IN LINCOLNSHIRE

◆

No Decrease Shown in Entries for English Stakes.

◆

Trimdon Nominated for Queen's Prize — British Look for Successful Season of Racing.

◆

LONDON, England.—Entries for a number of the important flat-racing events of 1932 dispel the fears of those who thought that the sport would be affected by the present economic situation. On the contrary, the patronage of owners is eminently satisfactory all around. The Lincolnshire Handicap closed with sixty-two subscribers, as compared to fifty-four last season, seventy-six in 1930, seventy-seven in 1929, and forty-five in 1928.

The "Lincoln" entry may not be conspicuous for class performers, though in that respect the average standard of recent years may be said to have been maintained. No fewer than eight of the horses nominated have qualified for the suffix "aged," the most notable of these being Fleeting Memory, one of last season's fancies.

The other veterans whose names appear in the list are Grandmaster—another of the failures of last March—Kenwyn, Fraudulent, Lone Knight, Benburb, Kirkheaton, and Ken Hill.

Among the half dozen six-year-olds entered is last season's winner, Knight Error.

The five-year-olds represent a strong section, including as they do Diolite, Poor Lad, Grand Salute, Flying Argosy, Pommame, Anthurium and Heronslea.

FOUR-YEAR-OLDS NUMEROUS.

The third season horses, however, as usual, form the strongest division numerically, but the inclusion of Lady Marjorie among these may occasion mild surprise.

It is the exception nowadays to find a three-year-old among the "Lincoln" entrants, but H. J. Brueton has nominated Old Riley, who established such a big reputation during the campaign just closed. This seems sound policy, too, as, being a gelding, he should come to hand early, while as he is not eligible for the big three-year-old and other coveted events, his owner is naturally concentrating on the better-class handicaps.

With an entry of fifty-three, the Liverpool Spring Cup, decided on the day following the "Lincoln," has fared as usual, though Lord Derby, who has won so many Liverpool Cups—Spring, Summer and Autumn—has nothing in his name on this occasion.

The Rosebery Stakes, which was instituted last spring, and proved an unqualified success, has closed with thirty-four entries, or seven fewer than this year.

TRIMDON IN QUEEN'S PRIZE.

Among the nominations for this Kempton event are Link Boy, Vamos, Zane Grey, Pricket, and Abbots Worthy, all of whom read to be the right type for the contest.

A noteworthy entrant for the Queen's Prize is last season's winner, Trimdon. It was at one time doubted whether this good racer would again stand training, but there would seem to be no further doubt on that point.

In the circumstances the nomination of Brig.-Gen. Charles Lambton's horse in the Ascot Gold Cup follows as a matter of course. Others entered for this Cup include Cameronian, Jacopo, Salmon Leap, Ut Majeur, Sandwich, Orpen and Parenthesis, together with the customary formidable French contingent.

Other events of lesser note which closed also, received satisfactory entries, and there is every reason to believe that the season of 1932 will be at least as successful as most of its immediate predecessors from any and every point of view.

and a length and one-half in front of Honeyman.

Although only four started in the fifth race, or Merchants' and Manufacturers' Purse, it added much to the attractiveness of the mid-week card, and the contest, one of the most interesting of the afternoon, resulted in another triumph for Edward Haughton's Prose and Poetry, the victory being the fourth in seven starts for the Omar Khayyam five-year-old this winter. Brilliantly ridden by Earl Pool, Prose and Poetry defeated B'ar Hunter, favorite, by a head as Quatre Bras II., two and one-half lengths farther back, saved the minor honors from Mine Sweeper.

Elston rode his third winner when Finnic added another victory to his score in accounting for the sixth, at one mile and a sixteenth. Finnic won easily, with Durva second and Come On third.

Rated back of the early pace, the winner and Durva came past the leaders in rapid fashion entering the stretch and, while Finnic excelled Durva in the stretch run, the latter finished in resolute fashion and held second place safe from Come On, which finished strongest of all after being decisively outrun in the first five-eighths.

FAIR GROUNDS TURF NOTES

Jockey V. Roussell was suspended five days by the stewards for rough riding while astride Honeyman in the third race Wednesday.

Jockey E. Level, who underwent a minor operation at a local hospital last week, was released from the infirmary today. He hopes to resume riding in about three weeks.

The local division of Mrs. Payne Whitney's Greentree Stable will be augmented by four or five horses now among the Greentree racers at Hialeah Park.

FENWICK BUYS ERVAST

AGUA CALIENTE, Mexico, Feb. 10.—At private sale yesterday Walter Fenwick, who trained for the suspended Baron Long stable, purchased six horses from the prominent California breeder. He acquired Ervast, Ono, Wirt, Nacho, Dupee and one other. Terms of the sale were private. It is the intention of president James N. Crofton, of the Agua Caliente Jockey Club, to sell the majority of his horses, but it is likely that he will retain the useful handicap performer, Up, which is now ailing and possibly a couple of two-year-olds. These will be campaigned in the East during the summer. Mr. Crofton may also purchase a high-class handicap performer now in training at this course for summer racing.

RODRIGUEZ IN COMEBACK

NEW ORLEANS, La., Feb. 10.—Joe Rodriguez, who rode with much success for a number of years, may attempt a come-back and has been galloping horses for the past few weeks. Rodriguez makes his home here and has been out of the saddle for several years.

BATCHELER IN MARKET

NEW ORLEANS, La., Feb. 10.—Henry T. Batcheler, who arrived here a week ago from his home in Texas, may purchase a few horses for racing under his colors.

FOALS AT CATTARINICH FARM

Colts by Cudgel From Joella J. and Lotto Arrive at Noted Vercheres Stud.

MONTREAL, Que., Feb. 10.—Two eligibles for the running of the King's Plate at the Blue Bonnets race course, three years from next summer, arrived at Joseph Cattarinich's Vercheres Farm, near here, Monday morning. The foals are owned by Mr. Cattarinich, who several years ago took up the breeding of thoroughbreds on a larger scale than has been carried on in Quebec in some years. The youngsters are both colts by Cudgel, which carried the colors of J. K. L. Ross to victory in numerous stake events. Cudgel is now standing at Vercheres, and Lotto and Joella J., dams of the two colts, are among the many well-bred mares at the same picturesque nursery.

Lotto's foal is one of the best looking ever foaled at Vercheres. He is a good size and much stronger than the usual early foal. Lotto was a good race mare and won a number of important engagements. She is royally bred and her blood lines combined with those of Cudgel should produce the finest racing type.

The foal from Joella J. should prove a good campaigner, if he possesses any of the qualities of his dam and sire. Joella J. was a fast mare and was raced with marked success by Senator Raymond under the training of Jim Boden and was well known under colors to Montrealers.

Other foals are expected this month at the farm, the majority of them by Cudgel, whose get have been showing more promise each season.

CLAIMS AND SALES

H. E. Brown, acting for F. E. Moore at Miami, acquired by private purchase from Robert Shannon the four-year-old My Sin.

Lucy Menifee was claimed from the first race at Havana Tuesday for $1,500 by J. Hoskins.

Supreme Token was claimed from Havana's seventh race Tuesday for $800 by L. Haymaker.

LOWER FEES FOR STALLIONS

Economic Depression and Loss of Prestige Responsible for Lower Prices During 1932 Season.

Marked decreases are noted in the advertised fees for services of thoroughbred stallions this season. It is not difficult to find the reason. It has long been argued by breeding sharps that the fees for sires standing in America have been too high. The economic depression compelled owners of leading stallions to reduce them this year. In some instances the reduction was due also to loss of prestige.

Heading the list of sires, according to the amount charged for services, is Willis Sharpe Kilmer's great horse, Sun Briar, seventeen-year-old son of Sundridge—Sweet Briar. Sun Briar is standing at Court Manor, Va. Heretofore he was a private stallion, but this season he is standing publicly at a fee of $5,000. Cash at time of service is demanded.

No other sire in America commands such a large fee. The mighty Man o' War stands privately, and is bred almost exclusively to Riddle-Jeffords mares. What his fee would be in public service is problematical.

Sun Beau, by Sun Briar—Sweet Lady, and the world's greatest money winner, is also standing at Court Manor. His fee is $3,000. He was retired from racing last fall, and this is his first season in the stud.

DIS DONC NOTABLE EXCEPTION.

Also in the $3,000 class are Sir Gallahad III., twelve-year-old son of Teddy—Plucky Liege, and his son, Gallant Fox, from Marguerite. They are standing at A. B. Hancock's Claiborne Stud, near Paris, Ky. The fees for these sires have not been reduced from last year.

One of the very few stallions whose fees have been increased this season is Dis Donc, 1918, by Sardanapale—Lady Hamburg II. The phenomenal performances of Top Flight, two-year-old champion last year and greatest money-winning juvenile, regardless of sex, accounts for this. Dis Donc, which is owned by C. V. Whitney, stood for only $250 last year. This season his fee is $1,000.

St. Germans, leading winning sire of 1931, which is an eleven-year-old son of Swynford—Hamoaze, is standing at his old fee, $1,500. Twenty Grand, winner of the Kentucky Derby and champion three-year-old last year, is St. Germans' most notable son.

Pompey, 1923, by Sun Briar—Cleopatra, owned by W. R. Coe, master of Shoshone Stud, stood for $1,000 last year. This season his fee is $1,500. His first get came to the races last year, Osculator being the best of the crop.

FIFTY PER CENT REDUCTION.

With the exceptions noted, fees have been reduced materially. Black Toney, 1911, by Peter Pan—Belgravia, which heads E. R. Bradley's stud at Idle Hour Farm, is now available to the public at $2,500. Last year he was at the top of the list at $5,000.

Following are the most notable reductions in stallion fees this season:

Sire.	Decrease.	Sire.	Decrease.

J. E. WIDENER PRESENTED WITH HISTORICAL BADGE

MIAMI, Fla., Feb. 10.—One of the first membership badges ever issued upon an American race course was presented to Joseph E. Widener, vice-chairman of The Jockey Club and guiding spirit of Hialeah and Belmont Parks, yesterday afternoon.

This little horseshoe-shaped silver insignia was given to Mr. Widener by J. W. May, veteran Kentucky horseman, at Hialeah Park, and it is believed to be the only badge extant of one of the first organized meetings of thoroughbreds in America, which was held at Lexington, Ky., in 1826.

The badge was issued to C. W. May, the donor's grandfather, who was one of the founders of the American Racing Association. It has been handed down through three generations of Mays.

"As I am the last of the Mays who will be on the race tracks of America, I am passing on this badge to you, Mr. Widener, that you and your family may preserve it as an appreciation from the May family and the Kentucky turf of your magnificent work in the interests of the turf in this country," said Mr. May.

Mr. Widener was deeply touched and he handled the little silver button with the veneration of a person viewing a sacred relic.

"I will treasure this as an association to the birth of American racing," replied Mr. Widener.

"I feel that we owe a great debt to your family and I promise that it will be passed on to my son."

NEW ORLEANS, La., Feb. 10.—Several prominent horses, inactive for some time, formally returned to training this morning when they were breezed. They include J. Leiter's Princess Camelia and Prince D'Amour; E. F. Prichard's Tannery, and Lone Star Stable's Jack Haskell. Princess Camelia, a double stakes winner last year, will be pointed for the Kentucky Oaks, Illinois Oaks, Arlington Oaks and other of the principal races for three-year-old fillies.

1931 STAKE WINNING JOCKEYS

List of Riders Whose Mounts Won Between $50,000 and $100,000 in 1931 Feature Races.

A. "Tony" Pascuma, who will probably have the mount on Lucky Tom in the Kentucky Derby if this Master Charlie colt wins the Louisiana Derby and becomes one of the leading candidates for the early stakes for three-year-olds, as is now predicted in the South, heads that division of jockeys who in 1931 passed the $50,000 mark in stake winnings but fell considerably short of $100,000.

Pascuma is closely identified with the career of Lucky Tom. He did not ride him in all races as a two-year-old, but it was his good fortune to have the mount when Lucky Tom won the Grand Union Hotel Stakes and the Sprightful Stakes, these two victories representing nearly a fourth of the total won by Pascuma during a very busy year. The Grand Union was his most valuable conquest, worth $11,875. The Sprightful was worth $4,040.

Pascuma's stake successes altogether amounted to $69,895. Three others of note were the Shevlin Stakes, Toronto Cup Handicap and Nursery Handicap. In the Shevlin, worth $8,150, he rode Sir Ashley and had the satisfaction of piloting that colt ahead of Danour and the famous Jamestown. The latter was 1 to 3 in the betting. In the Toronto Cup his winning mount was Frisius, and he won the Nursery Handicap with Faireno.

C. Phillips finished very close to Pascuma in the money column, his stake winnings amounting to $69,580. It was Phillips who rode Sun Beau, the world's leading money winner in the three stakes he won in the Chicago district. He was on Sun Beau when the Kilmer star won the Arlington Cup, defeating Mike Hall, Gallant Knight and Spanish Play. Then he won the Arlington Handicap with Sun Beau, defeating Satin Spar, Plucky Play, Mike Hall and others, and he rode Sun Beau in the Lincoln Handicap.

The veteran Mack Garner won $67,020 in stake money. He won none in excess of $8,000, but accumulated a good many stakes of comparatively small value. Some of the races in which Garner was successful provided their share of excitement and surprise. He rode Mr. Sponge when that Widener racer met Balko, admittedly one of the greatest sprinters in the country, at equal weights of 128 pounds, and defeated him at three-quarters of a mile, setting a new Laurel track record of 1:11⅕. This was in the Capital Handicap.

Mr. Sponge, with Garner up, also defeated Flying Heels in the Delaware Handicap, running a mile in 1:36⅗. Some other notable victories scored by Garner were in the Merchants and Citizens' Handicap, at Saratoga, with Curate; Astoria Handicap, at Aqueduct, with Stagecraft, and Maryland Breeders' Futurity, at Laurel, with Springsteel.

J. Bejshak won among other stakes the Selima, with Laughing Queen; the Harford Handicap, with Balko, and the Spalding Lowe Jenkins Handicap, with Osculator. In the latter event Osculator triumphed over Tick On and Burning Blaze, two of the best youngsters of the year. His stake winnings amounted to $57,450.

D. Trivett and Plucky Play were the surprise combination of midwestern racing. Trivett had the mount on Plucky Play when the Northway Stable colt beat Mike Hall, The Nut, Gallant Knight and others in the Stars and Stripes Handicap. Gallant Knight was about 8 to 10 in the betting and Plucky Play, as the winner, paid $98.90. Then Trivett steered Plucky Play to victory over Sun Beau in the Hawthorne Handicap, establishing a new track record for the mile and an eighth. These two upsets enabled Trivett to get into the $50,000 class, his stakes totaling $52,130.

Frankie Coltiletti, one of the veterans, won $50,500, his stakes including the Coaching Club American Oaks, Potomac Handicap and Agua Caliente Futurity.

RASKOB MARES AT HINATA

LEXINGTON, Ky., Feb. 10.—Ten well-bred brood mares, owned by Mrs. John J. Raskob, wife of the national political leader, arrived at Young & Le Bus' Hinata Farm from the Raskob farm in the East. They will be bred to the best stallions in Kentucky and will remain at Hinata until well into the summer, when they will be returned to their owner's farm. Both Mr. and Mrs. Raskob are keenly interested in the thoroughbred and the excellence of the brood mares owned by the latter insure horses of top quality to carry her racing silks in the coming seasons. Hinata Farm, among the finest places of its kind, is operated by the brothers, Thomas and Jack Young, and Clarence and Frazier Le Bus.

MAL DOYLE DIES

Mal Doyle, veteran turfman, former turf writer, pugilist, ex-U. S. Cavalryman, and of late years a telegraph operator, died today after a lengthy illness. Doyle owned Pernoel, now racing at Havana, also Permarco, dam of Pernoel and a colt by Infinite, a promising two-year-old at present under the care of Col. W. B. Miller, owner of Greenwich Stud, near Lexington, Ky. When Juarez was in its heyday as a winter track, Mr. Doyle campaigned an extensive string there, and will be remembered as the owner of the consistent plater Finnegan. Mr. Doyle's remains will be shipped to St. Louis for burial.

ABDEL MAY BE SOLD

NEW ORLEANS, La., Feb. 10.—Negotiations for the transfer of the good four-year-old Abdel, owned by C. R. Allen and the estate of C. B. Reid, were opened today and the son of Lucky Hour will, it is said, be taken over by an Ohioan, name undisclosed, if the deal goes through.

AGUA CALIENTE FUTURE BOOK

Zeke Caress Releases Prices on Big Handicap—Phar Lap First Choice at Two to One.

AGUA CALIENTE, Mexico, Feb. 10.—Ringmaster Zeke Caress, of Agua Caliente, released the future book prices for the $50,000 added Agua Caliente Handicap today, and made Phar Lap, the Australian champion, favorite at 2 to 1. Naturally at the price there was little action for Phar Lap, but the early wagering found two of the eligibles cut. Marine, now on the grounds and training for the event, was cut from 40 to 30-1 soon after the prices were posted, while Wotan, winner of the Mardi Gras Handicap at New Orleans, suffered a similar cut.

Next to Phar Lap, in the opinion of Caress, is Dr. Freeland, which is quoted at 6-1, then comes Joe Flores, double stake winner here and the erratic Reveille Boy at 8-1. Cabezo and Lucky Tom, although the latter may not be shipped here, are 10-1, and Plucky Play is 15-1. The longest price is 1,000-1 quoted against Black Fool, Tippy Toe and Longus.

Here is the complete line issued today on the race to be run at the Agua Caliente course March 20:

BLUE ARAB, away slowly, moved up with a rush in the first eighth and, racing MAKE SPEED into defeat, drew clear at the eighth post and, taken under restraint, won as his rider pleased. EL PUMA, closer up than usual in the early stages, challenged gamely when called upon, but could not overhaul the winner. SANSARICA, away well, dropped out of it in the first three-eighths, saved ground entering the stretch and, closing resolutely under punishment, easily disposed of MAKE SPEED in the stretch. The latter quit badly in the stretch. The others were never factors.

MINT DRIFT began clear of interference and, taking a short lead in the first sixteenth, continued gamely under energetic handling and outlasted LADY BRACADALE in the final drive. The latter, away fast, but forced out after the start, moved into contention rapidly when clear and challenged gamely. OSWEGO PRINCESS began from outside the machine, swerved at the start, but responded resolutely in the stretch and outlasted ALGERIA. The latter raced straight and had no excuses. JEAN BROWN met interference. JANE BOGGESS showed early speed, but tired in the stretch. TRY COME was crowded out of it early.

BOSAFABO, taken back sharply in the run out of the chute, followed close to the leaders under restraint until entering the stretch and, taking command, held PARTIES safe. The latter, slow to get going, closed fast on the outside in the stretch. PHANTOM ROCK disposed of LA GOLONDRINA. The latter was used up racing HIEOVER into defeat. FAIR BLANCHE was weakly handled. HIEOVER tired after three-quarters. GIBBY'S CHOICE was never a factor.

PARTISAN, in close pursuit of the leaders in the early running, opened up a commanding lead around the last turn and won with speed in reserve. BRUSH moved into contention rapidly entering the stretch, but weakened and just managed to outstay LION HEARTED. The latter was taken on a zig zag course and finished fast on his own courage. PRINCE TOY quit the stretch run. GORMOND had no excuses. VACATION was buffeted about in the early running and was eased up at the end.

SINGLE STAR AND MILLS

(Continued from first page.)

Puma was easily second best and lost some ground swinging into the stretch, where he was carried wide. He finished well, but Blue Arab had something in reserve as he crossed the line winner. Sansarica was another five lengths back, but a greater distance before the tired Make Speed, which saved fourth place.

There was another Willis Sharpe Kilmer victory in the running of the juvenile dash of five-sixteenths over the Nursery course, when in a game finish Mint Drift was the winner over E. A. Igleheart's Lady Bracadale. A. B. Gallaher's Oswego Princess saved third from J. E. Widener's Algeria by a narrow margin.

There was a slight delay at the post. In one of her crazy lunges, Transpose unseated Chiavetta, but no serious damage was done. The start was a good one, but Oswego Princess, which broke from a position outside the stalls, crossed over rather sharply and that aided her in her share of the purse.

Mint Drift was away in the front division and forced the pace all the way, but through the final sixteenth she was doing her best to withstand the determined rush of Lady Bracadale. The daughter of Mint Briar fought along with rare courage to earn the decision by a nose. Lady Bracadale was a length before Oswego Princess, which, in turn, only saved third from Algeria by a head.

Mrs. Sadie Bennett's Bosafabo was winner over the cheap band that started in the third when he led home E. McCuan's Parties, with R. A. Smith's Phantom Rock saving third from La Golondrina.

La Golondrina was the one to set most of the pace, and Hieover raced after her with Bosafabo not far back. Parties was badly outrun in the first half mile. Catrone made no serious challenge with the winner until going to the stretch turn—there he moved up on the outside and, safely around the stretch turn, took command readily as La Golondrina tired and at the end was a length clear. Parties came with a belated rush to take second place by two and a half lengths from Phantom Rock, another that finished gamely.

MARYLAND TURF NOTES

Mrs. Walter R. Haugh is motoring to Miami for the Florida Derby. She was accompanied by Miss Catherine Brady.

Horsemen are taking up a collection for the family of the late Jimmy Dennison, ex-jockey, who died a few weeks after his employer, C. W. "Buck" Foreman, expired.

Johnny Nixon, one of the Maryland racing commission's inspectors, is spending the winter attending the ice hockey matches, which were revived here after a lapse of a quarter of a century.

Sylvester W. Labrot, of Annapolis, has in Springsteel one of the best distance running three-year-olds at New Orleans.

John M. Welch shipped the horses which he wintered at Charlestown, W. Va., to Pimlico.

WRIGHT'S PRETENTIOUS PLANS

(Continued from first page.)

Rancocas Stable sale at Saratoga. Frank Hacket, who is business agent for John Hertz, made the entries in the name of the Calumet Stable. The trainer has not been appointed. According to local horsemen, Will Knapp, who trains the Hertz horses, will campaign the stable in the East next year.

The brood mares which were purchased at the Whitney sale by John Hertz and said to be for the Calumet Stable, were as follows:

Peter Polly, top price of the vendue, which cost $9,300; Wiggle Waggle, $5,100; Fly by Day, $3,100; Dendera, $2,000; Wild Polly, $1,600; Arethusa, $1,500; Lisa, $800; Fly Leaf, $550 and Exposay, $300.

No stallion was purchased, and it is surmised that the majority of the mares will be bred to Reigh Count, which stands at the Hertz farm, Cary, Ill.

The three yearlings, which were purchased at the Rancocas Stable sale on Futurity Day last at Belmont Park, were knocked down to Mrs. John Hertz. Wright was present at the sale. Immediately after it he and Hertz hurried back to New York and boarded a train for Chicago. Business called them back to Chicago and they were forced to miss the running of the big event.

The yearlings were two fillies and a colt, and they sold for $14,000. The top price was paid for a bay daughter of Bud Lerner, from Katrina, a half-brother to Mokatam. After spirited bidding this miss was sold for $8,500. A chestnut colt by Bud Lerner, from Basquaise, was purchased for $3,000 and another filly by Bud Lerner, from Afana, was bid in for $2,500.

203 WINNERS

THAT WAS REGREN'S RECORD during the month of January, always a hard month for handicappers. Of course, Regren did not confine himself to the favorites—he never does, and especially when making selections on winter tracks. Many were the long shots he put over during December and January. An example of his facility of picking them out of the brine barrel was given the other day when he selected CZARIST for his Havana STANDOUT. Czarist paid $18.00 in the mutuels and 3 to 1 in the books. REGREN IS THE MOST CONSISTENT OF ALL THE HANDICAPPERS. His great store of racing knowledge and his incomparable sources of information make his Best Bets, Specials and Standouts the most reliable plays for the consistent and regular follower of racing. Big betting transactions often leak out just a few hours before post time. Also "good things" planned far in advance often go wrong the day of the race when a dangerous horse turns up. These factors make a late information service valuable. Billy Kelly has connections at all major tracks. He learns what is going on. He offers you the latest in racing information for only $5 weekly. His one-horse daily will be sent to you by fast telegram. Wire subscriptions to
